YOUR HOME PAINTING RECORD

A practical record of the finishes used in your home

PREPARATION & HANDOVER NOTES

SURFACE PREPARATION / PRIMERS

Sample: clean surfaces; prepare weatherboards; prime bare timber where required.

SPECIALIST TRADE WORK (IF APPLICABLE)

Sample: carpentry repair details, if applicable.

MAINTENANCE OBSERVATIONS / HOMEOWNER ADVICE

Sample: check exposed timber areas during routine home maintenance.

ADDITIONAL PRODUCTS, DATES OR TOUCH-UP INFORMATION

Record actual product codes, colours and sheen from the paint tins.

KEEP THIS RECORD FOR FUTURE TOUCH-UPS

Paint colour codes, product ranges and sheen levels can be useful when arranging later maintenance or renovation work. Colour matches may vary with age, application conditions and product availability.
